Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

Supporting a person so so
they can have quality life

I face the following problems ...

Finance
Isolation
Tired Healthy, getting sick,
Need med care for dental
work.

I need help with ...

Finance & to be able to
buy healthy food. Be able
to have more income.

I think the Government can better help Carers by ...

keeping the carers
& child with a disability
bonuses or increase the income
support from centerlink carers
policy makers to get women in the work force

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
