

Submission No.206.....

To The Australian Parliamentary Committee
on International Treaties.

I am against allowing Australia to
sponsor the proposed International
Criminal Court, or to sign the
International Criminal Court Statute

This would undermine our right to
self determination and allow
radical social engineering by
activists

All International Treaties should
require a two-thirds majority of
both Houses of Parliament.

Mrs. K. M. Brundell
360 Majorca Rd,
Salisbury 3371
27th May 2001.
