Submission no. 178**

Committee Secretary
Joint Standing Committee on Migration
Parliament House
Canberra

Dear Sir Madam,

I have no interest whatsoever in being part of a multicultural society as it is not workable.

We need to be a mono cultural, multi racial nation. People of all races, cultures and religions should be welcome here PROVIDING they embrace our heritage, culture, and laws. There is no room for people who wish to impose THEIR culture or laws on our society.

It is high time the people running this country realised this and showed some leadership in the selection of immigrants who are worthy of citizenship of the greatest country in the world.

Australians are very welcoming of newcomers, but ONLY if they want to fit in and contribute to the quality of life we are lucky enough to enjoy.

Yours sincerely
