

Kempsey Hospital Petition

To the Honourable The Speaker and Members of the House of
Representatives

This petition of certain citizens of Australia draws the attention of the House of
Representatives to the erosion of health services and state of disrepair at
Kempsey District Hospital.

We therefore ask the House to commit funds from the Australian
Government's \$10 billion Health and Hospital Fund, so the hospital can be
upgraded in accordance with the masterplan which has been provided to the
NSW Health Minister.
