

TO THE HONOURABLE THE SPEAKER AND MEMBERS OF
THE HOUSE OF REPRESENTATIVES

This petition of certain citizens of Australia.

draws the attention of the House that Islam contradicts, opposes and divides the Australian constitution, citizenship and allegiance. Islam complies to the meaning of sect, by surviving beneath the umbrella of political law, by being undemocratic, secular, intolerant, with fanatical, somewhat unGodly beliefs and specific untruths. All islamics, by nature are a warrior against democracy.

We therefore ask the House to, through legislation or referendum ban the sect Islam from Australia [as Japan has done].
