

Appendix 1

Response by Ian Munro to remarks of the Member for Hume

On the 30th October 2012, the Member for Hume, Mr Alby Schultz MP, falsely claimed that I entered the Parliament (on an unspecified date) with intent to intimidate people and that I had gone to the Member for Farrer's Office. At no time have I entered Federal Parliament with the intention to intimidate people nor have I ever visited the office of the Member for Farrer.
