Dears Sir/s,

I strongly object to any redevelopment at the Pittwater Annexe, Clareville, NSW without proper consultation with immediate neighbours. We understand a notice regarding a consultation meeting was published in the local newspaper (Manly Daily) however we did not read the notice and as a result did not attend the meeting. As we live immediately opposite the Pittwater Annexe we would have expected to receive individual written notification of the meeting. This would have enabled us to attend and comment on the redevelopment. In addition we would have tabled concerns with the current building which could have been rectified during the redevelopment. We look forward to the opportunity of discussing these issues prior to the plans for the redevelopment being finalised.

If you decide to publish this submission please ensure that our personal details are not included in the publication.

Yours faithfully,
