PUBLIC WORKS-PARLIAMENTARY STANDING COMMITTEE- REFERENCE OF WORK-SITE REMEDIATION AND CONSTRUCTION OF INFRASTRUCTURE FOR THE DEFENCE SITE AT RANDWICK, NSW

Mr Slipper (Parliamentary Secretary to the Minister for Finance and Administration), pursuant to notice, moved-That, in accordance with the provisions of the *Public Works Committee Act 1969*, the following proposed work be referred to the Parliamentary Standing Committee on Public Works for consideration and report: Site remediation and construction of infrastructure for the Defence site at Randwick, Sydney.

List of Recommendations

3 Issues and Conclusions

Recommendation 1

The Committee recommends that a map showing the extent and distribution of contaminants at the Randwick Barracks Disposal site be placed on the project web site for ready access by members of the public.

Recommendation 2

The Committee recommends that an appropriate regulatory body be given responsibility for monitoring the execution of contamination remediation works to ensure that proper health, safety and environmental controls are exercised.

Recommendation 3

The Committee recommends that the remaining portion of the works referred to it by the Department of Defence in December 2002 be subject to a thorough investigation by the Committee at the earliest opportunity and prior to the commencement of any further work elements.
