Dear Ms Courto

RBA RESPONSE TO PWC SUBMISSION FROM THE AUSTRALIAN GREENHOUSE OFFICE

Thank you for referring a copy of the letter of 24 May from the Australian Greenhouse Office (AGO) concerning the Business Resumption Site (BRS) for the Reserve Bank of Australia.

The Bank appreciates the assistance provided by the AGO in refining the environmental strategies for the project. We note and are pleased that the AGO is satisfied that the proposed energy efficiency works for the BRS are consistent with the current policy requirements.

Yours sincerely
